

PLUSPUNT

Aan het eind van blok 3:

ken ik de vrienden van 100

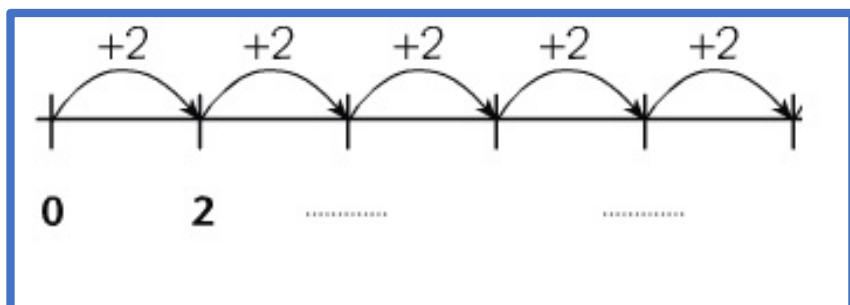

kan ik keersommen maken

Illustrations of apples and baskets are shown in a box. There are three small plates of two apples each, a tray of two apples, and a bowl of two apples. Below these are three baskets of apples.

3 groepjes van 2 appels
3 x 2 = appels

..... tassen met appels
..... x = appels

kan ik verdubbelen en tellen met huppen van 2

kan ik schatten hoe groot iets is

Illustrations of height measurement are shown in a box. On the left, a man and a child are standing next to a vertical double-headed arrow. Below it is a line for '..... meter'. On the right, a house is shown next to a vertical double-headed arrow. Below it is a line for '..... meter'.
